

Stay & Sleep

It is all about the location when you are booking an accommodation for a city or a business trip. However, your ideal hotel should have more than just a great address – it should also offer a taste of the city you are visiting. Where you stay always has a huge influence on your city trip.

STAY & SLEEP

Hotel Militärkantine

This art nouveau building was built in 1902. The rooms are very spacious, individual and minimalistic. Enjoy the beautiful surroundings while having a bath in the middle of your room. It is near the train station (about 10 minutes walking distance) and very calm.

Hotel Einstein

The Hotel Einstein is located at a short distance of the essential attractions of St.Gallen. If you're on a business trip, this hotel is what you need. The rooms are cozy, and the food in the restaurant on the rooftop is delicious.

Hotel Vadian

This hotel exists for centuries and was originally a merchants', travelers' stop and a place of shelter for the needy. Moreover, the location is fantastic – just across the square from the popular abbey library.

Youth Hostel

It's a very clean, quiet and peaceful hostel with very helpful staff. It is a little bit outside the center. You'll have a really nice view from the terrace. From the dining room, you can see the Lake Constance. The rooms and the shared bathroom are clean and tidy.
